## EDUCATION

Shamsipour University - Bachelor of Software Engineering

Jan 2017 - Jan 2021

## WORK EXPERIENCE

Senior Front-End Developer at Xino Digital - Tehran, Iran

Jan 2022 - Mar 2023

Working on an advertising application called AdFlex. Refactoring an entire project with **new technologies** and resolving **memory leaks**, this has been allowing me to consistently challenge myself.

HTML | CSS | Sass | Tailwind CSS | JavaScript | Vite | Vue.js 3 | Nuxt.js 3 | Pinia | Scrum | Git | GitLab

CTO at Persina - Tehran, Iran

June 2020 - Jan 2022

As a manager, I gathered **different developers** and oversaw them work together as a team. This was a great way to establish and improve myself as a leader.

Senior Front-End Developer at Persina - Tehran, Iran

June 2019 - May 2020

Worked on exclusive startups and developed **more than 10** web applications for different businesses.

HTML | CSS | Sass | Bootstrap 4 | JavaScript | Webpack | Vue.js 2 | Nuxt.js 2 | Vuex | Scrum | Git | GitLab

Web Designer at Persina - Tehran, Iran

June 2017 - May 2019

Developed **more than 250** different ecommerce and enterprise websites for different clients.

HTML | CSS | Sass | Bootstrap 3 | JavaScript | Git | GitLab
